Subject: EMPTY STOCKING FUND (ESF) COMMUNITY SERVICE PROJECT

It is that time of the year where JROTC Units around the metro Atlanta area support the Empty Stocking Fund Drive to support underprivileged children in our area during the holiday season. This is required project is a **major project grades**. Last year, was another successful year for our unit, reaching our goal and bringing smiles to over 3000 children. Our goal this year, is to maintain the \$4500 target. Our unit has exceeded their goal every year due to our cadet's energy for giving back to the community. Each cadet is expected to raise \$50.00 which will sponsor 2 kids (**which is directly proportional to their grade-bonus points can be earned for donations over \$50**).

Each cadet will be assigned a specific **numbered** can(s) for donations; **ANY LOST, DAMAGED OR UNRETURNED CAN COST \$50**. If you would like to take an additional can to support the ESF Drive (to help support your cadet on your job or church), please check below for two cans. If the can feels like it has reached the goal (based on the fullness of the can), **please return immediately**. If the cadet wants to continue collecting, they can check out a new can. **KROGER** is a proud support of this event and allow cadet to stand in front of their stores or gas station on **NOVEMBER 2ND AND 3RD**. This year our unit has been assign to the following stores **from 8:00am- 6:00pm**:

- 301 Jonesboro Road, McDonough
- 5900 East Lake Parkway, McDonough
- 3618 Highway 138 E, Stockbridge

Due to our busy schedule, this event **REQUIRES PARENTAL SUPERVISION** for safety reasons while your cadet is collecting donations.
