Grading Scale

Practice Work 40%
Test/Practice Work
Physical Training
Uniform Inspection

Assessment Task-40%
Professional Advancement Requirements (PARS)
Project (Required Paperwork, ESF Drive, PFT, Final UI, etc)

Semester Summative Assessment Task – 20%

Professional Advancements Requirements (PARs) – Each cadet *is required* to complete and promote **ONCE** via PARs each semester. The passing score for promotion purposes is an **80 minimum**. Passing the test alone does not ensure promotion; there are other hands-on milestones and community service hours that must be met for successful promotion.

Because this is a highly interactive and student led course, promotions are very important to continuing in NJROTC during your high school career. If a student is not taking the necessary steps for promotion, they will be removed from the course. Successful minimum guidelines are as follow:

- End of the 1st year – The student should be promoted to Cadet Seaman (C/SN)
- End of the 2nd year – The student should be promoted to Cadet Petty Officer Second Class (C/PO2)
- End of the 3rd year – The student should be promoted to Cadet Chief Petty Officer (C/CPO)

**** Leadership Academy is the reward for cadets that successfully move up the ranks and show potential to one day lead our unit** (Generally speaking, this happens the Summer of their 2nd Year although there are some exceptions, ie a sharp sophomore that finishes their 1st year).

Late Assignments/Make-up Policy: All missed assignments (test, class work or homework) must be made up within 3 days of the students return. It is the student's responsibility to request all makeup work from Platoon Commander (PC)/NJROTC Instructor. Late work not turned in on time will have deductions from 80% (ie that wait until the end of the grading period; ZAPP (4.5, 9, 13.5 or 18 weeks), and does the assignment; their grade will be 50% (in commit will say or for credit recovery) which is *still better than 0%*.

Missed Uniform assignments due to absent(s) *must be worn on the first day that the student returns to school*. If a student cannot wear the uniform for any reason, the **parent must notify** the Senior Naval Science Instructor (SNSI) and he will determine if the student will be allowed to make up the uniform on the next available day (ie family emergency-hospitalization).

Missed Physical Training (PT) assignments will only be made-up if the student is *absent* via Google Classroom. The assignment will be posted on the Friday by the end of the school day. Each essay will be 2 full double-space pages on a health-related topic. It is the *student responsibility* to check Google Classroom for their assignment. Student *cannot* use prior papers they may have written because it is considered *plagiarism* and they will not get a grade for the old work. If a student cannot dress/participate in PT for medical reason, a parent/guardian must notify *and* submit medical documentation to the instructors, and it will determine if the student will be allowed to make up/excuse that assignment.

Required Materials: NJROTC uniforms (provided), plain white crew neck t-shirt, black non-athletic socks (**void of any logo**), black kiwi shoe polish, (paste type in a can, **not** the liquid bottle polish) Mother's Mag and Wheel polish (*males only*), physical training uniform, plain white athletic socks, running shoes. (*Unit has sets for sale, which includes: 2- white t-shirts, polish (paste-Kiwi Parade Gloss), toothbrush (to clean stitching around the shoe sole), 2-black socks - \$20.*

School Locker: *A school locker IS HIGHLY RECOMMENDED* to store your NJROTC uniform and supporting equipment. A locker can be rented for \$5.00 for the entire year. A lost NJROTC jacket is approximately \$110. School locker is a perfect place to store NJROTC material when it is not required during the school day. Additionally, it can be used to store personal items that are not allowed to be in your uniform pockets during personnel inspection.

Due to the athletic requirements, students will need a Sports Physical (**Due no later than 30 days upon arrival**). This also required for students to be able to earn their Physical Fitness Ribbon. The is physical is good for 1 year and can be used for all school required physical activities.

Classroom Expectations:

Attendance- This class will be taught in a highly interactive manner; attendance and participation are imperative for success completion. You must be at your desk at the sound of the bell:

- Block 1: 0815 – 0940 (IF: 0940-1000)
- Block 2: 1000 – 1130
- Block 3: 1135 – 1345 (JROTC Planning)
- Block 4: 1350 – 1515

JROTC Daily Dress Codes

- a. **Uniform Days-** In accordance with Cadet Field Manuel (**Normally Thursday**). The cadet must wear the uniform for the entire school day. **If a cadet is caught out of uniform** (*from the time they leave home until they return home; unless they are participating in an afterschool activity*) **or caught disrespecting the uniform**, they will be **given a ZERO for that day's inspection grade** and is annotated in the comment section why the grade changed (this grade *will not* be allowed to be made up).
- b. **Examples of disrespecting the uniform follow:**
 1. Males with earrings while in uniform.
 2. Females relaxing hair from a military standard while in uniform.
 3. Wearing **headphones/earbuds** of any kind **while in uniform**.
 4. Chewing gum/eating while walking the halls
 5. Relaxing the uniform. (i.e. untucking the shirt out of the trousers, taking off/wearing unauthorized shoes, unbuttoning extra buttons)
 6. **Fighting in uniform**.
 7. Playing games in the gym while in uniform (you **must change** into gym attire if you have PE).

Sometimes a student's class requires them to change into a certain type of school wear (i.e. gym or other classes that may soil or damage the NJROTC uniform). **The cadet is allowed to change into their respective school wear but must immediately change back into the NJROTC Uniform** when that class is over. If a cadet utilizes "uniform day" as an excuse for not participating in another class, they may receive a zero in that class (all teachers are aware of this policy).

- c. **Civilian Wear-** In addition to school dress code the following applies in the *NJROTC space or during any NJROTC event*:
- No earrings for males
 - No sagging trousers
 - Braids or twists for males **must be combed out to regulation for Thursday**

Students will be allowed to use their devices in the morning in the commons area before first period, between class changes, and during lunches (as long as they are not speaker phone or playing music that others can hear).*
